To every thing there is a season, and a time to every purpose under heaven:

A time to be born, a time to die; a time to plant, and a time to reap;

A time to kill, and a time to heal; a time to break down, and a time to build up;

A time to weep, and a time to laugh; a time to mourn, and a time to dance;

A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;

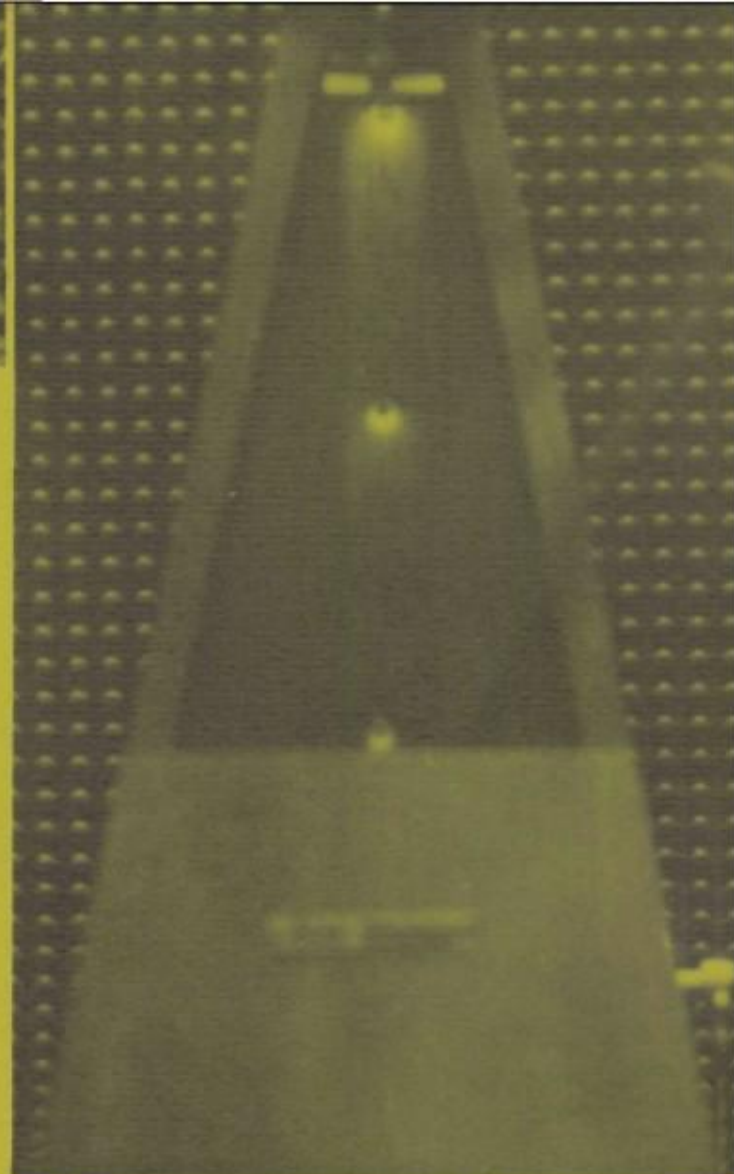

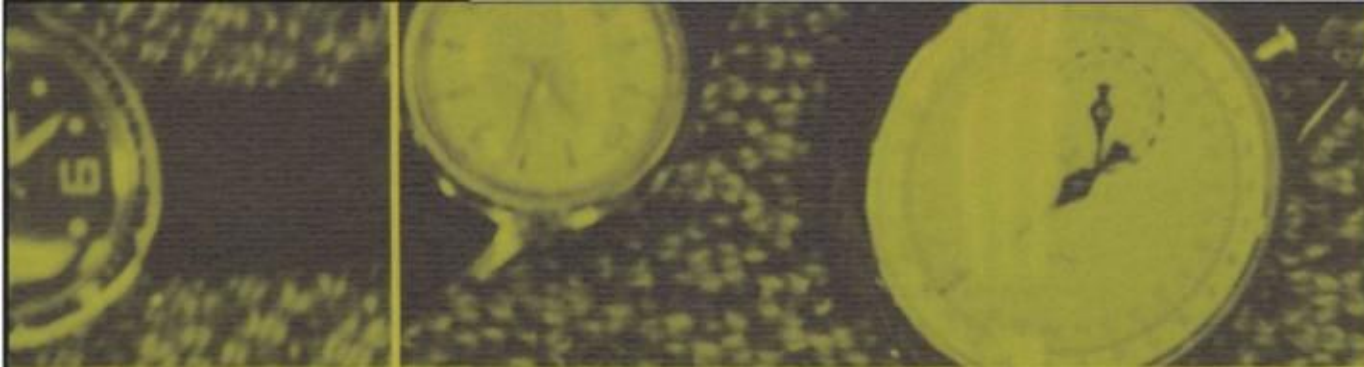

A time to get, and a time to lose, a time to keep, and a time to give;

A time to rend, and a time to sew; a time to keep silence, and a time to speak;

A time to love, and a time to hate; a time of war, and a time of peace.

This was a *must* year for the Leland Football Team . . . a year to establish a Winning Tradition in football. This has been accomplished! Thru the sincere desire, and sound character of our young men, we have truly established a "Winning Tradition."

A Football Program, wherever it is, or under whatever system it may be conducted is based on certain basic principles.

The Keystone of these principles is the fact that football is a game of *Great Emotion*. A Team can only be successful when it is capable of developing an intense feeling concerning victory . . . and defeat. Our team was successful.

The members of our squad willingly subjected their personal interests for the best interest of the Team. Because of them, this year, "OUR TEAM CAME TO PLAY" . . . and in doing so . . . they have rightfully earned the respect of Our School, Our Community, The Press, and other Football teams in the Santa Clara Valley.

Finally, I humbly add that they have earned the respect of this coach!

SOPH TEAM IMPRESSIVE

The Sophomore Team had a fine turnout, initially counting over 50 candidates. Valuable experience was gained in compiling a 2-4-2 record. This was the first experience in tackle football for most of the players.

Offensively the Chargers were led by the running of Art Saldivar and pass catching of Cary Riddell and Curt Moore, with Bob McLean and Erin Adams sharing the quarterback post.

Defense proved to be the team's forte. A strong defensive attack was led by Bob Laubacks fine play at the lineback post, with able assistance from Rick Rule, Jack Henderson and Rick Welde on the front line.

POLOISTS RETAIN

This years varsity had a slow start. Due to injuries and pool problems we lost two close practice games by one point. As the season progressed we were able to use our potential to put together a perfect 8 won and no loss league record for our second straight S.T.A. L. Championship.

Outstanding was team captain Tom Ballard who broke the old League scoring record and was the League's most valuable player. Jim Thompson and Gregg Menges also were among the league scoring leaders. Jordy Andrew, Bob Robertson, Steve Darrow, Tom Boyd and Bob Edgren led the leagues best defense. It's going to be a hard job to replace the 6 starting seniors. However this year's Championship Soph team will help in next years rebuilding.

SOPHOMORE

WATER POLO TEAM

The 1968 Sophomores had an outstanding season. The Sophs had an undefeated league record and a 13 won and 1 loss season total! Their only loss was to powerhouse Buchser by 1 point.

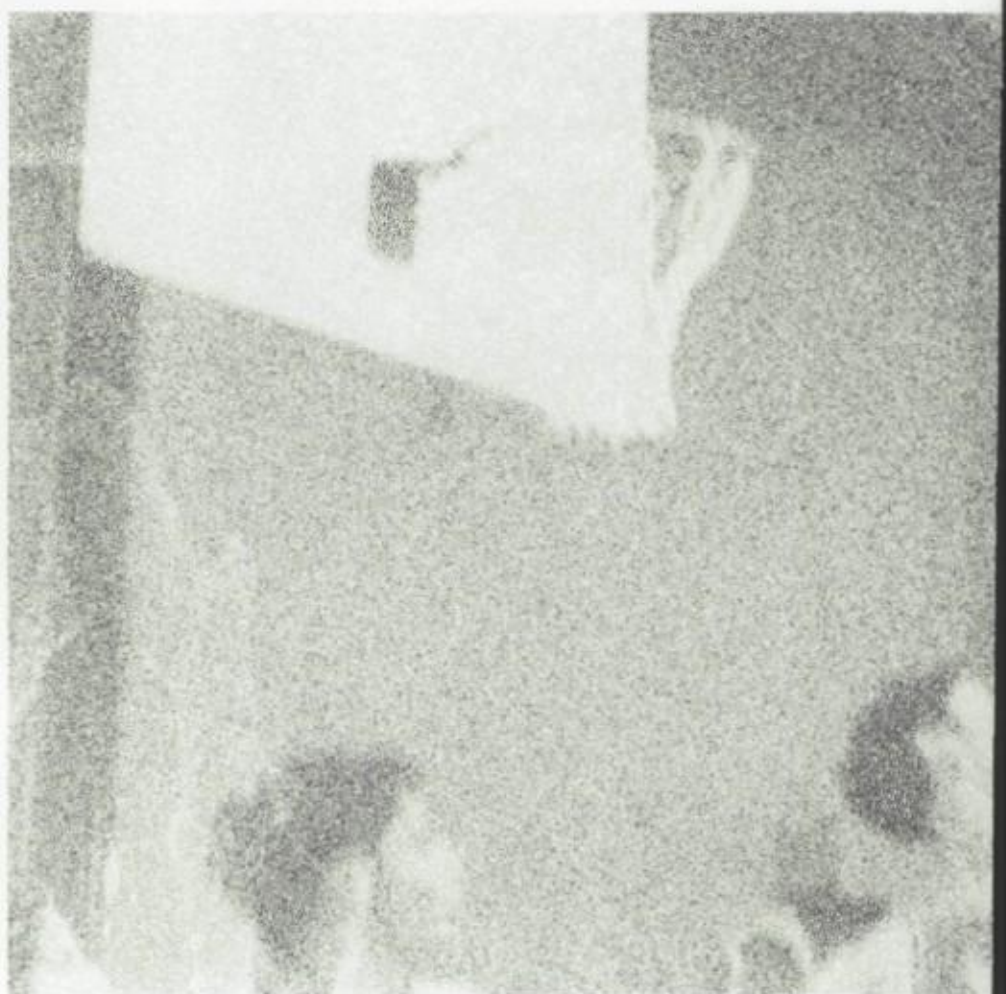

The Sophs had good speed and size this year. Pete Thompson led the scoring with 55 goals and was all-league 1st team. Wayne Mat-

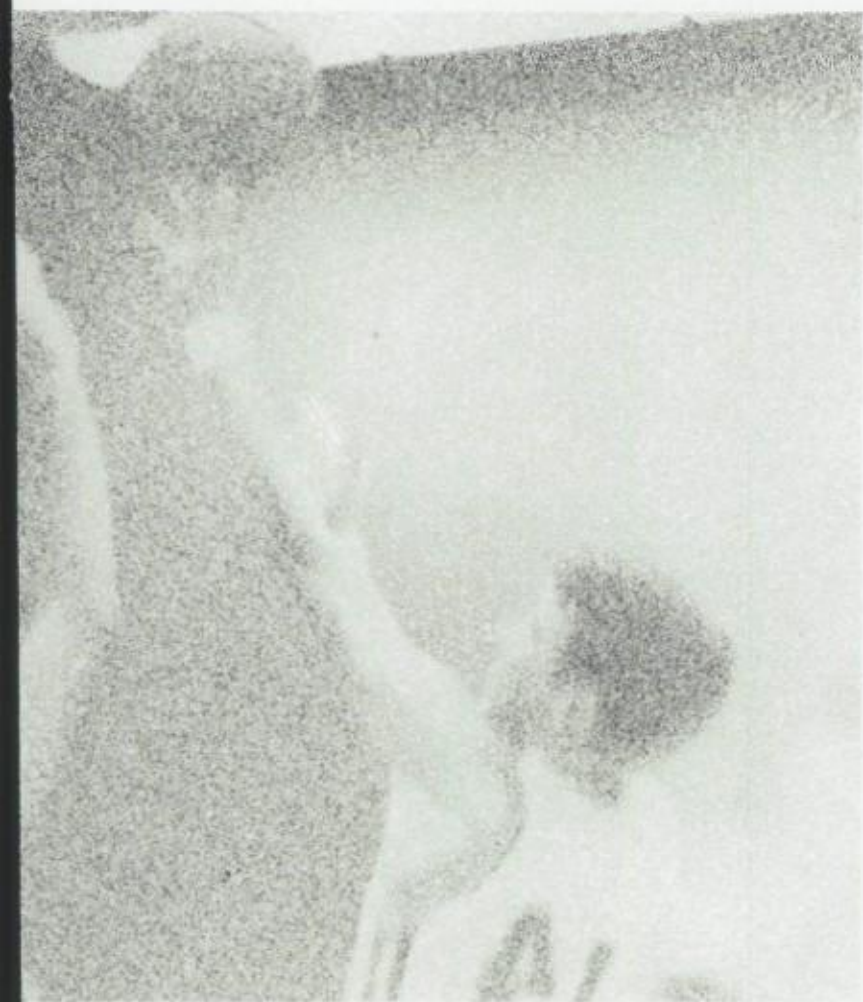

hewson had 51 goals and was named M.V.P. for his fine all around play. Pacing the defense was 1st team all-league goalie Jim Slacke. 2nd team all-leaguers Daveed Schwartz and Don Apple also added to the depth of our fine team. This group of fine sophomores should help replace our graduating seniors and help continue our winning aquatic tradition at Leland.

SOPHOMORE BASKETBALL TEAM TAKES CHAMPIONSHIP

After losing first Cary Riddell to the Varsity, then Jim Slacke to a broken leg in the Del Mar Tournament, the team overcame these adversities to become a champion team. Both Riddell and Slacke were first team members and high scorers.

The Chargers went on to a 16-5 season record and 10-2 league record. League losses were to Willow Glen by 2 points and to Gilroy by one point. MVP was Rick Rule, team captain Mark Robards, and outstanding defensive player Bart Wilson.

Team balance, defense, and desire were keys to our season. Four players averaged in double figures, indicative of an unselfish brand of play; Rick Rule, Dan Apple, Dennis McMasters, and Mark Robards, I can't express how proud I am of all sophomore players, as I am sure Leland is.

INDIVIDUAL EFFORTS DOMINATE

This years wrestling team had little depth, but had much growth. It had few experienced wrestlers, and not enough depth to have a complete team. This lack of depth was made-up for, by individual efforts. Four sophomores beat out the

competition to wrestle varsity. At league finals, Glen Grimditch placed first in the 168 lb. class, Bob Robertson placed third, and Chuck Bloom and Tom Occhipinti took third and fourth in their weight classes.

The team worked diligently in practice and everyone contributed to the teams success and number 1 league rating.

We've had lots of fun this year at Leland carrying on the fine standard of enthusiasm and school spirit set for us last year.

It has been easy to maintain high moral and promote strong school spirit this year because of the top quality of our teams. We have seen a definite surge upward in our over-all league standings. I am sure that I speak for the rest of Leland in expressing our heartiest congratulations to all of our teams and their coaches.

I want to thank those members of the student body and faculty who took an active part in spirit this year. My special thanks go to the spirit staff and our adviser, Miss Rotty for their continued and diligent efforts in cooperation.

This has truly been a year I will never forget.

At Leland in the fall semester, we tied together the loose ends of the constitution, and established school traditions. We have finished the constitution, which was rushed to completion for the opening of Leland in 1967. One of the major changes which was instituted was a nominations convention. This system of selecting school officers, stimulates student interest and provides for qualified candidates. In addition the nominations convention is an excellent learning opportunity.

This past year, it was a great pleasure and challenge being A.S.B. President. I want to take time here to thank all those people who made it a pleasure and rose to the challenge. Without the many hardworking commissioners it would have been an impossibility to handle the associated student body. My sincere thanks to all of them.

a time for leadership . . . spring semester asb government a message from the president

I would like to take this opportunity to thank each and everyone of you for making my years at Leland the most enjoyable of my life. It seems that we have created a kind of spirit this year that is unique to this school. This is not merely an athletic spirit, but more a human spirit . . . where people get to know and understand each other. This spirit, I think, has and I hope that it will continue in future years. I only hope that you've all had the same tremendous opportunities for learning and fun that I've had in the last two years.

Putting together a newspaper is like fitting a puzzle together — Each piece interlocks to form the finished product, each piece is necessary for an effective picture.

In newspaper each student learns to work in a group, they learn responsibility because a good finished product depends on each person.

Mr. Goldstein

In producing a newspaper students are not just confined to the rigors of story writing. They must deal with people outside Leland in interviews, advertising and publishing.

I hope this year, through the newspaper, every person involved has reached beyond himself and has enlarged his scope.

Claire Poelle

Every now and then I get imposed upon in such a manner that I am completely unable to locate a suitable excuse for escape. Such a problem has been the *Leland Lip*, which is, believe it or not, a legitimate publication. Initiated as a fun change-of-pace, it gradually became a genuine passion, eating up many a sleepless night as I would attempt to dream up another silly article, and pass it off as being literary.

All kidding aside, the Lip has served many important purposes at Leland this year. While the Lip brought the student body a little closer, and increased the interest in school-based affairs, it has also proven to be extremely suitable for lining garbage cans and wrapping dead fish.

Although the entire staff has complained often and loud of the burden of creating a newspaper every day, I would say that it has been a uniquely rewarding experience.

This years theme for the Leland Legend is time, and assessing the class, the book, and the school year ... has been quite a time. The class has impressed me this year as an experience, unique, original and a phenomenon that could only happen in the time and the place it did. It's permissive organization and the 'spirit' of the class made for an exciting year with all kinds of times, times of work, play, friendship (not necessarily in that order) and times when we 'ain't got time', but overall it is a time to remember.

The spectrum of the yearbook class, the school activities, the students and teachers alike, all compound to make this time at Leland, in it's uniqueness a passing spree of learning, sharing and understanding. I am left with the tenseness of an action filled football game, the uplifting of a dance, and the fatigue of over coming a trial. I'm moved by the passing of time, wishing all could enjoy time as I did this year.

PRINCIPAL'S MESSAGE

"Some believe there is nothing that one man or one woman can do against the enormous array of the world's ills, yet many of the world's great movements of thought and action have flowed from the work of a single man. A young Monk began the protestant reformation, a young general extended an empire from Macedonia to the borders of the earth and a young woman reclaimed the territory of France. It was a young Italian explorer who discovered the new world, and the 32 year old Thomas Jefferson who proclaimed that all men are created equal.

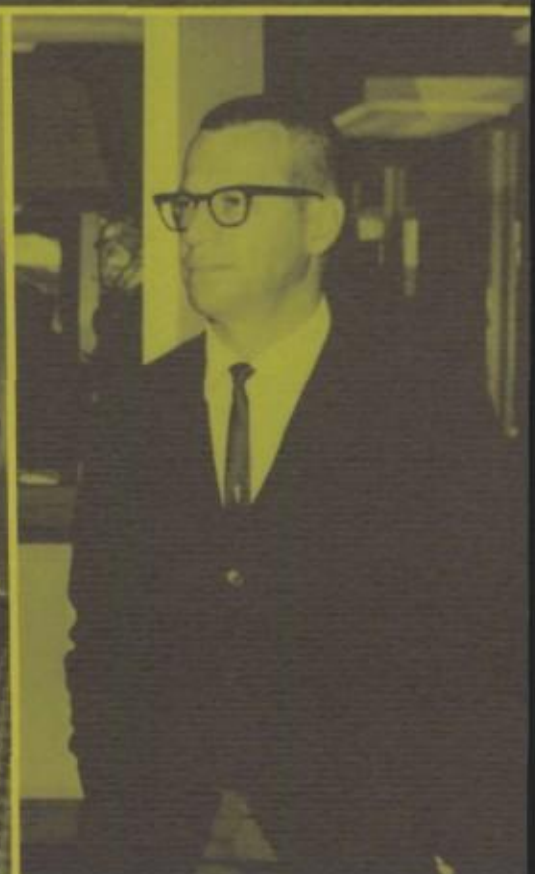

These men moved the world and so can we all. Few will have the greatness to bend history itself, but each of us can work to change a small portion of events, and in the total of all those acts will be written the history of this generation.

It is from numberless diverse acts of courage and belief that human history is shaped. Each time a man stands up for an ideal or acts to improve the lot of others or strike out against injustice, he sends forth a tiny ripple of hope and crossing each other from a million different centers of energy, and daring those ripples, build a current that can sweep down the mightiest walls of oppression and resistance."

These thoughts of the late Senator Robert Kennedy provoke a mighty challenge to each of us. As these acts of courage and beliefs occur within a framework of justice and concern for others, not only is human history shaped but hope that people will live in harmony and understanding is continually renewed. Each of us has a tremendous responsibility to see that this hope is fostered. I know we are capable of this — I know that this must be done.

Aaron Seandel, Principal

Mr. J. J. Ridley

The task of counseling is not an easy one. We the students feel that the Leland Counselors have done the greatest job in guiding us through our happy and sometimes difficult years of High School.

We would like to thank you, Mrs. Wiens, Mr. Hoshaw, and Mr. Phillips for the wonderful job you have performed this year.

Mr. Armond Phillips

Mrs. Carolyn Weins

It is difficult to come to a strange school and take on the responsibilities of Vice Principal. Mr. Ridley has not only fulfilled these duties as Director of Student Activities and Head of the Counseling Department, he has also found a place in the hearts of the Leland students as a warm and understanding person.

Mrs. Harriet Rudd

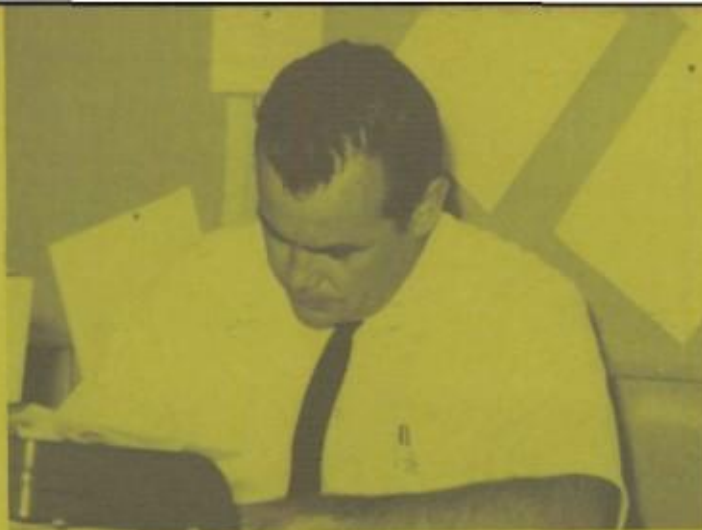

Mrs. Harriet Rudd our dedicated Dean of Girls has never failed to lend a helping hand. She has always taken time off from her busy schedule to give needed words of advice. We'll never forget you Mrs. Rudd.
